SUBJECT: Request to approve an agreement with the Creston Community Association allocating \$5,000 from District Five Community Project Funds – Fund Center #106 to be used for expenses associated with running the Creston Pool. District 5.

RECOMMENDATION

It is recommended that the Board approve the agreement with the Creston Community Association allocating \$5,000 from District Five Community Project Funds – Fund Center #106 to be used for expenses associated with the Creston Community Pool.

DISCUSSION

The Creston Community Association was formed as a non-profit organization in support of the Creston Community pool. Their goal is to provide free access to the pool for residents. The pool is the only local recreation activity in the Creston area serving over 2,000 children and parents during the summer months. The Association consists entirely of volunteers who raise funds to pay expenses such as general operation including certified lifeguards, equipment and any major pool repairs. The Creston Community Pool is available to the public to use free of charge.

The \$5,000 in County funds will be used towards expenses associated with the upkeep of the Creston Community Pool, including but not limited to lifeguards, maintenance, equipment or pool repairs.

OTHER AGENCY INVOLVEMENT/IMPACT

Volunteers from the Creston Community Association oversee the activities associated with the Creston Pool.

FINANCIAL CONSIDERATIONS

Funding in the amount of \$5,000 will be allocated from Community Project Funds – Fund Center #106 to the Creston Community Association.

RESULTS

Funds will be used for expenses associated with the operation of the Creston Pool, including as noted above, maintenance, equipment and pool repairs. The pool is an important recreational activity for the children in the area. Keeping the pool and equipment maintained and up to date provides a safe and fun site for use by the children and others in the community.
